Dear Fellow Cattlemen:

Wow! Can you believe another year has passed by. It seems like we just wrote this letter. We are very grateful to all our friends and customers that support our program. It is an honor working with such great cattlemen around the world that support us. Without you this sale could never be possible. Every year we look forward to this day to visit with old and new customers.

We have been blessed with a healthy and growing family. Yes, that's right, we have two more on the way. Josh and Katie are expecting their second one and Ty and Jenny with their second, also. Jared is going back to school at Southeast Tech in Sioux Falls for his Business degree and John is in Watertown going for his Ag Finance degree. They're both doing well and help out with all sorts of duties we have on the farm. And last but not least, the two hell raisers, Koye and Jake, they keep all of us on our toes and are very special.

I feel there is a bull for everyone in the offering. We develop our bulls on a high roughage ration so they can develop for many years to come. This set of bulls is strong from top to bottom and are structurally correct and athletic. Our highest emphasis is on disposition and easy-fleshing, fertile females that produce high-performing sons. This is a program that is family run, and we all help out with the duties and do not tolerate anything that is mean or up-headed.

Again this year, we have used a lot of our own genetics that are standing the test of time. Most of these bulls are currently in A.I. studs. We have been privileged to have a few of our own raised bulls enrolled in A.I. studs for other cattlemen to use. Such as Dynamite (Genex), Brushpopper 353 (Genex), Day Ahead (Genex), Modern Design (ABS), Brushpopper 295 (Accelerated Genetics), Crown Royal (Cattle Vision) and the top-selling bull of 2008 TC Ranch sale, TC Aberdeen. These bulls again have over-performed other A.I. sires. That tells me that our bulls are getting the job done. I feel this year there are other bulls in this offering that are stud quality. We have bulls that will work for any program, including calving-ease, growth, maternal and carcass. This is a strong set of bulls from top to bottom anywhere in the country. Come look, compare and decide for yourself!

We would also like to thank everyone that helps us out through the year. Marty Hauge is with us again helping with a lot of duties. He gets to see a lot of these bulls born at night. He loves to see them grow up and be sold. We appreciate everything that he does. Ty has really helped us out this year, too, and we greatly appreciate all that he has done. There are also two people that also play a strong role in this operation; our vet Jay Alberda and Daryl Thomas. Dr. Jay does an outstanding job and he doesn't get thanked enough for all his hard work. Daryl is our feed nutritionist with JR Feeds and does an excellent job getting the rations right so the bulls are developed and work strong for our customers. I strongly recommend both of these hard-working guys to anyone.

This year we have added another auctioneer, Seth Weishaar, to get him familiar with our sale and customers as Craig is starting to slow down a bit. No, he is not leaving just yet. It will be very difficult when that day comes as he has been with us from the start. Craig has an outstanding eye for good quality cattle and is an outstanding auctioneer that is what has made him so successful. Let's just hope this day comes later rather than sooner. Thanks for all you do.

As always, visitors are always welcome to come to the farm and look at the cattle. The coffee is always made and the pies are always fresh! If you would like another opinion on a certain bull, you can contact our regional Angus representative Vern Frey or a new consultant and friend, who is no stranger to the beef industry, Jon Janssen with Genetic Solutions or our Auctioneer Craig Conover who is always very helpful. There is always money to be made in good quality cattle and Mohnen Angus is here to serve your needs. You can also call us if you have any questions prior to the sale, we love to talk cattle so don't be afraid to call!

Sincerely,
Mohnen Angus

Jared and John Mohnen

Katie, Josh and son Koye

Steve and Kathy Mohnen

Daughter Jennifer, husband Ty and Jake

INSPECTION OF CATTLE:

Cattle may be viewed at the farm any time prior to the sale.

HEALTH:

Interstate health papers furnished on all cattle selling.

TERMS:

Free delivery within 300 mile radius. Delivery will begin around March 15.

DISCOUNTS:

Volume discounts on two or more bulls with an average \$2,250 or more. Two bulls – 1% discount, three bulls – 2%, four bulls – 3%, five or six bulls – 4%, seven or eight bulls – 5%, nine or ten bulls – 6%.

TERMS AND CONDITIONS:

All cattle sell according to the Terms and Conditions of the American Angus Association.

STORM DATE:

To be announced on radio stations: KIKN 100.5 FM, KMIT 105.9 FM, KOOL 98.3 FM, WNAX 570.

OWNERSHIP:

Cattle are the property of the buyer as soon as sold, with buyer taking complete risk. Bulls will be kept free of charge until March 1 at the buyer's risk.

DISPUTES:

The auctioneer will settle any bid disputes.

INSURANCE:

Will be available through Harding & Harding.

LIABILITY:

All persons attending this sale do so at their own risk, legal or otherwise, for their safety or the behavior of the animals. The Owner, Auction Service, Sale Staff and hosts assume no liability for property loss or any accidents that may occur.

ANNOUNCEMENTS:

From the block will take precedence over the sale book. Buyers unable to attend may send their bids to the Livestock Representatives or Auctioneers, Craig Conover and Seth Weishaar.

LUNCH:

Complimentary beef lunch will be served at 11:30 a.m.

BREEDERS GUARANTEE:

All bulls selling for \$2,000 or more are guaranteed against breeding injury for the first breeding season. Breeding season is defined as the 90-day period following the first turnout of the bulls. If a replacement bull is available, he will be provided, or the buyer receives credit toward the bull, he will be given credit toward the following year's sale, less \$1,000 off purchase price of the injured bull. PLEASE NOTIFY US AS SOON AS POSSIBLE SHOULD INJURY OCCUR AND PRIOR TO THE INJURED BULL BEING SOLD FOR SALVAGE. Seller reserves the privilege of trying for a period of 6 months to prove the animal a breeder. If proved a breeder, the animal will be returned at buyer's expense. The buyer must notify the seller by October 1 of the same year purchase.

We will retain one-third semen interest and revenue sharing on all bulls selling.

Visit the *Angus Journal*® Web site, www.angusjournal.com, and view this sale book online.

- Dynamite is a must-use sire to add to any program. His sons are stout, rugged and powerful. His sons will add pounds to any program. Commercial cattlemen selling cattle by the pound need to use these sons.
- The dam of Dynamite speaks for herself, selling sons for \$39,000, \$20,000 and \$11,000.
- Dynamite sons were the high-selling sire group in the 2009 sale and this set of bulls is just as good.
- Owned by: Mohnen Angus and Peak Dot of Canada.

- Every year the Brushpopper bulls excel in about every trait. Cattlemen love these easy doing, deep-sided tanks. It seems like anyone that has bought a son of his usually comes back for more.
- Most of the bulls selling out of BP are clean-up. It doesn't matter what kind of cow he is mated to, they all do well. His daughters are weaning off big calves for the second year in a row, as you will see bulls in the sale out of daughters of BP.
- This may be his best set of sons to date!
- Owned by: Mohnen Angus and Genex.

- They are deep-sided, clean-fronted, long and thick.
- 295 is a calving-ease sire out of the Mohnen Jilt 1283 cow that also sold the \$18,000 Mohnen Crown Royal 316 to Beitelspacher Ranch and Cattle Vision is the dam of a Mohnen Bingo 149 that you will hear more of.
- When you enter his Birth Weight, Weaning Weight, Milk and Yearling Weight EPDs in the sire summary search, he is the only bull that comes up.
- Owned by: Mohnen Angus, Bruns Angus and Accelerated Genetics.

- 295 is a stand-out individual that is building quite a reputation. He sold for \$9,000 to Bruns Angus and is currently leased to Accelerated Genetics.
- There are only two bulls of his in the sale, but they are both really good bulls because we had almost all heifers out of 295. We will be using 295 hard in the future as he has built as good a set of EPDs as you can get.

- ET.
- Recommended for heifers.
- This bull is a herd bull for anyone!
- We have liked the overall balance of this easy-moving bull since he was born.
- The dam is a full sister to a former herd sire, Baldridge Mullen.

Mohnen Angus • February 12, 2010

- We purchased Aberdeen for his calving-ease, carcass, his length of body, and excellent phenotype, and for a set of females that he should leave that will be outstanding. He was the top-selling bull in the 2008 TC Bull sale.
- Aberdeen is an excellent calving-ease bull that is an outcross and his sons performed outstandingly. He is going to be a must use bull in 2010.
- He will be used very hard in years to come in our herd for so many things that he does right and so few things he does wrong.
- Owned by: Mohnen Angus, Lindskov-Theil, SD and Genex.

TC Aberdeen 759 - Sire of Lots 33-50.

MOHNEN CROWN ROYAL 316 SONS

Mohnen Crown Royal 316 - Sire of Lots 51-54.

- Crown Royal is doing everything we wanted him to but better. His numbers continue to get better with each calf crop. He sold for \$18,000 to Beitelspacher Ranch of SD and is leased to Cattle Visions.

E

- These bulls are going to have calving-ease, growth and excellent balance with outstanding dispositions as his sire did also. Yes, there are only four bulls in the sale but we had a lot more heifers out of him also which doesn't hurt our feelings any.
- This Jilt cow family never misses with Crown Royal, 295, Dynamite, Day Ahead, Pioneer, and now Bingo.
- Crown Royal was injured as a yearling so this is the first set of calves but won't be the last because we will have a lot more coming in years to come.
- Owned by: Mohnen Angus, Beitelspacher Ranch, SD and Cattle Visions.

- We choose to use Bismarck for his calving-ease, muscling, depth of body and excellent phenotype. He is also out of the Abigale cow family.
- It is rare to have a calving-ease Grid Maker son, but he is. Our customers liked the Grid Makers in the past and Bismarck is as good with more calving-ease and maternal.
- He is a half brother to SAV Mandan and SAV Adaptor.

SAV Bismarck 5682 - Sire of Lots 55-58.

Mohnen Bingo 149 - Lot 55

- ET.
- Recommended for heifers.
- This may be one the best bulls raised to date.
- Bingo is really deep, big topped, thick butted and very easy to look at.
- He is a half brother to the \$9,000 Mohnen Brushpopper 295 bull that is owned by Bruns Angus and is leased to Accelerated Genetics, and the \$18,000 Mohnen Crown Royal 316 who is leased to Cattle Visions. Look at what their EPDs went to, down at Birth and up on Weaning and Yearling. Not saying that is always good, but these cattle are not big, just a lot to them.
- The Jilt cow family never misses; Bingo is also related to the \$39,000 Mohnen Dynamite 1356, the \$20,000 Mohnen Day Ahead 144, and the \$11,000 Mohnen Pioneer 1945.
- Selling one-half semen interest and full possession.

Mohnen Final Answer 1759 - Lot 60

- ET.
- Recommended for heifers.
- Someone wanting to make deep-sided, easy-keeping, broody females take a look at these two good rascals. They are long from their hooks to pins and do a lot right.
- They are half brothers to Lot 55, Mohnen Bingo 149, and Mohnen Crown Royal 316 who sold to Beitelspacher Ranch, SD, and leased to Cattle Visions. Another half brother is the Bruns Angus herd sire and is leased to Accelerated Genetics Mohnen Brushpopper 295 who sold for \$9,000.
- I feel the Jilt 1283 cow and the Jilt 910 cows that are half sisters have done as much for our herd as any other bull or female will ever do.
- These two full brothers are three-fourths brothers by blood to the \$60,000 SAV Pioneer 7301.

- I got to see Density last winter at Billings and really loved his beautiful pattern. He was clean-fronted, not too big, thick, deep-sided with an outstanding profile.
- We used him to get them outstanding females. He is out of 004 and a powerful Right Time dam. She is also the dam of SAV Providence 6922 who sold for \$60,000. Our 004 daughters are doing an outstanding job and put Right Time in his pedigree and it only gets better.
- These sons are big and rugged and did an excellent job.

- Mandan is a half brother to Bismarck.
- We used Mandan at the time for his length, muscling and style. He is out of a very productive Fix It daughter and Abigale cow family. He is another outstanding 004 son that is surfacing to the top.

SAV Mandan 5664 - Sire of Lots 67-69.

Jake and Koye enjoying summer!

Central Dakota Animal Clinic
 36592 SD Hwy. 44
 Platte, SD 57369
 (605) 337-2659

Dear Customers:

Welcome to the Mohnen Angus Annual Production Sale. It is my pleasure to work with the Mohnen operation and help them produce the quality cattle that you, the customer, are accustomed to finding here.

The bulls have been vaccinated for IBR, PI3, BVD, BRSV, Haemophilus, Pasturella, Clostridium and Anthrax at turnout and weaning. They have also been poured with Ivomec for internal and external parasite control. This program is in accordance with Pfizer's recommendations for preventive health care.

The cow herd is enrolled in the Johne's eradication program and maintained at level one. The bulls have been scrotal and pelvic measured and bled for Brucellosis and BVD. A complete fertility exam (SFT guidelines) are a Preg Guard 10 injection will be done before the bulls are delivered. Any other out-of-state or herd requirements will be met as needed.

The overall health of the bulls and cow herd is excellent. Every effort has been made to continue to bring you, the customer, the very best possible product. Take advantage of the years of care and selection offered by the Mohnen family.

Thank you,
 Jay C Alberda, DVM

- ET. Full brother to Lot 90. Recommended for heifers.
- Someone wanting to make some real broody cows or make them club calf females should take a look at these to really good Emblazon bulls.
- Their dam is a full brother to the bull they call Mr. Balance, "CRA Bextor."

Steve and Kathy enjoy comparing livestock breeding programs with Australia.

Dan Esser of Wolf Creek Ranch, along with his wife Carla, have been long time friends and valued customers. Dan has raised the majority of our embryo calves using his great commercial cows sired by Mohnen bulls through the years. Thank you!

Large feed tires for sale.

10 good registered bred Angus cows for sale by private treaty!

If you have calves to market, don't let them leave home without an AngusSource® tag. AngusSource adds value to your Angus-sired feeder cattle and replacement heifers by:

- Guaranteeing Angus genetics
- Verifying source and age
- Opportunity to qualify for Certified Angus Beef® regardless of hide color.

Don't let 'em leave home without one!

Visit www.angussource.com
or call 816-383-5100 for more information.

*For specific claims visit <http://www.angussource.com>

SIMMENTAL

RC Club King 040 R

Kappes Trailblazer S 516

Yes, next year we will have a few Sim-Angus bulls. This has been something we have wanted to do for the last couple of years but just wasn't brave enough. A few customers asked us to do this. They said with your cow power behind these Simmental bulls it isn't going to hurt anything. We still feel Angus is the best breed in terms of all-around cattle. Calving ease, maternal, disposition, depth of body, udder structure, carcass and the list goes on and on. But Simmental cattle crossed with Angus make an outstanding cross for that hybrid vigor, added muscling and most of the time being able to keep the black hided cattle that top the market almost every time. Simmental cattle have made outstanding strides in last few years. If you have any questions, please feel free to call.
